

## Terms & Conditions

### Description

HERO EYEBROW

# Working Together With Clarity

These Terms explain the rules for using the WhizTurn website, requesting a Growth Assessment, accessing resources, and communicating with us.

## 1. Acceptance of Terms

By accessing or using the WhizTurn website, submitting a form, booking a Growth Assessment, downloading a resource, or otherwise using the website, you agree to these Terms & Conditions. If you do not agree, please do not use the website.

## 2. About WhizTurn

WhizTurn provides growth strategy, marketing, lead-generation support, local visibility services, conversion systems, CRM/automation support, caregiver recruitment support, and related consulting for home care businesses and other approved clients. Website descriptions are general and do not create a binding service obligation.

## 3. Growth Assessments and Consultations

A Growth Assessment is an exploratory business conversation. It does not create a client relationship, guarantee acceptance as a client, guarantee results, or obligate either party to purchase or provide services. WhizTurn may decline or reschedule a consultation when reasonably necessary.

## 4. No Guarantee of Results

Marketing, search visibility, advertising, recruitment, lead generation, conversion, and business growth depend on many variables outside WhizTurn's control. We may discuss targets, estimates, past performance, or opportunities, but we do not guarantee rankings, lead volume, sales, hires, starts of care, revenue, or any specific business outcome unless expressly stated in a signed agreement.

## 5. Website Use

You agree not to misuse the website, attempt unauthorized access, interfere with site operation, submit unlawful or deceptive information, scrape or reproduce protected content at scale without permission, introduce malicious code, or use the website in a way that violates applicable law or the rights of others.

## 6. Intellectual Property

The WhizTurn name, logo, website design, original written content, graphics, frameworks, resources, templates, and other proprietary materials are owned by WhizTurn or used under permission unless stated otherwise. You may use publicly available website content for normal personal or business reference, but you may not republish, sell, copy, or commercially exploit protected materials without written permission.

## 7. Resources and Downloads

Free or paid guides, templates, checklists, calculators, webinars, and other resources are provided for general informational and business-planning purposes. They should be adapted to your specific business, legal, employment, advertising, privacy, and regulatory requirements. Downloading a resource does not create a consulting or client relationship.

## 8. Communications

If you contact WhizTurn, we may respond through the contact details you provide. SMS messages should only be sent in accordance with the consent captured for that purpose. Message and data rates may apply. You may opt out of SMS by replying STOP. Marketing email recipients may unsubscribe through the link provided in the message.

## 9. Client Services and Separate Agreements

If you engage WhizTurn for paid services, the scope, pricing, responsibilities, payment terms, ownership, confidentiality, termination rights, and other commercial terms will be governed by the applicable proposal, order form, statement of work, master services agreement, or other signed agreement. If that agreement conflicts with these website Terms for the paid services, the signed agreement controls.

## 10. Third-Party Platforms

WhizTurn may use or recommend third-party services such as advertising platforms, CRM tools, analytics services, calendar providers, email/SMS providers, hosting providers, and social networks. Those services are governed by their own terms and availability. WhizTurn is not responsible for third-party outages, policy changes, account suspensions, or platform decisions outside our reasonable control.

## 11. Disclaimer

The website and its general content are provided on an "as available" basis for informational purposes. To the maximum extent permitted by applicable law, WhizTurn disclaims warranties that are not expressly stated in a written agreement.

## 12. Limitation of Liability

To the maximum extent permitted by applicable law, WhizTurn will not be liable for indirect, incidental, special, consequential, or punitive damages arising solely from use of the public website or free resources. Any liability relating to paid client services should be governed by the applicable signed client agreement.

### 13. Governing Law

These website Terms are governed by the laws of [INSERT APPROPRIATE JURISDICTION AFTER LEGAL REVIEW], without regard to conflict-of-laws principles. Any required venue or dispute-resolution language should be finalized based on WhizTurn's actual legal entity and contracting structure.

### 14. Changes to These Terms

We may update these Terms from time to time. Continued use of the website after the revised Terms are posted means the updated Terms apply to future website use, subject to applicable law.
